Critical perspectives on Anti-gender: Open lectures

As part of the PhD course Critical Perspectives on Anti-Gender, given within the Gender Academy Research School, we offer two open lectures by Elżbieta Korolczuk and Haley McEwen, leading experts on anti-gender politics as a transnational phenomenon. The lectures will focus on the complicated entanglements between current anti-gender politics and critique of neo-colonialism, globalization and imposed “Western” values.

Elżbieta Korolczuk: “Anti-Colonial Fantasies and Imperial Realities in Anti-Gender Politics”.

Haley McEwen: “Thinking beyond backlash: Anti-gender diplomacy and international dis/re-ordering”.

FREE ADMISSION ▶ **Time and place:** Friday Nov. 6,
14.00 – 17.00 , Auditoriet, Department of Culture and
Aesthetics, Frescativägen 24E.
