Marcin Włodarczak

Department of Linguistics
Stockholm University
SE-106 91 Stockholm

wlodarczak@ling.su.se
su.se/english/profiles/mwlod

Employment

since 2023 Senior lecturer (universitetslektor)
Department of Linguistics, Stockholm University

2020-2023 Associate senior lecturer (biträdande lektor)
Department of Linguistics, Stockholm University

2013-2019 Researcher (forskare)
Department of Linguistics, Stockholm University

2009-2013 Research associate (wissenschaftlicher Mitarbeiter)
Department of Linguistics and Literary Studies, Bielefeld University

Degrees

2018 Docent in Phonetics, Stockholm University

2014 PhD in Linguistics, Bielefeld University
Dissertation: *Temporal entrainment in overlapping speech*
Supervisor: Petra Wagner

2009 MA in Linguistics and information science, Adam Mickiewicz University
Thesis: *Ranked multidimensional dialogue act annotation*
Supervisor: Maciej Karpiński

Grants awarded in competition

As principal investigator

2020–2022 Research project *Prosodic functions of voice quality dynamics*
Funder: Swedish Research Council (VR 2019-02932)
Budget: 3 990 000 SEK

2020–2022 Research project *Voice quality dynamics in speech communication* (not used)
Funder: Marcus and Amalia Wallenberg Foundation (MAW 2019.0051)
Budget: 4 600 000 SEK

2015–2018 Research project *Breathing in conversation*
Funder: Swedish Research Council (VR 2014-1072)
Budget: 4 800 000 SEK

2014 Research fellowship (not used)
Funder: German Research Foundation (261917578)
Two-year full-time research funding

As co-applicant

2021-2023 Research project *Analysis of predictive models for turn-taking in spoken interaction*
Funder: Riksbankens Jubileumsfond (P20-0484)
Budget: 4 271 000 SEK
Pricipal Investigator: Gabriel Skantze

2018–2020 Research project *Hidden events in turn-taking*
Funder: Marcus and Amalia Wallenberg Foundation (MAW 2017.0034)
Budget: 3 200 000 SEK
Principal investigator: Mattias Heldner

2018–2021 Research project *Multimodal encoding of prosodic prominence in voiced and whispered speech*
Funder: Swedish Research Council (VR 2017-02861)
Budget: 6 000 000 SEK
Principal investigator: Zofia Malisz

2016–2019 Research project *Gaze in conversation*
Funder: Swedish Research Council (VR 2015-01954)
Budget: 5 120 000 SEK
Principal investigator: Jens Edlund

Honours & awards

2017 Christian Benoît Award

Professional development

2022 *Professional Development Course 2: Teaching and Learning in the Human Science Academic Area*, Centre for the Advancement of University Teaching, Stockholm University, 7.5 ECTS

2021 *Professional Development Course 1: Teaching and Learning*, Centre for the Advancement of University Teaching, Stockholm University, 7.5 ECTS

2018 *Supervision of Research in Theory and Practice*, Centre for the Advancement of University Teaching, Stockholm University, 3 ECTS

Supervision

Postdoctoral researchers

2021-2023 Anna Bruggeman, Bielefeld University

2020-2021 Bogdan Ludusan, Bielefeld University

PhD students

Current

since 2024 Qiang Xia: *How does transmission delay affect remote conversational turn-taking?*, Stockholm University

since 2023 Stina Andersson: *Contingency in parental input and child language acquisition*, Stockholm University (main supervisor Tove Nilsson Gerholm)

since 2021 Ambika Kirkland, *Perception of speaker stance - using spontaneous speech synthesis to explore the contribution of prosody, context and speaker*, KTH Royal Institute of Technology (main supervisor: Joakim Gustafson)

since 2016 Elísabet Eir Cortes, *Speech motor control: A balance between perceptual and articulatory factors*, Stockholm University

Past

2023-2024 Carla Wikse Barrow: *Swedish voiceless fricatives – a developmental perspective*, Stockholm University (main supervisor Mattias Heldner)

2016-2021 Kätlin Aare, *Communicative functions of respiration in spontaneous conversations*, Tartu University (main supervisor: Pärtel Lippus, the student took an industry job before completing her thesis)

Organisation of scientific events

2024 Fonetik 2024, Stockholm

2022 Workshop on capturing and analysing articulation with ultrasound and MRI, Stockholm

2019 Fonetik 2019, Stockholm

2017 Interspeech 2017, Stockholm (Publication Chair)

2014 Fonetik 2014, Stockholm, Sweden

2013 Konferenz zur Elektronischen Sprachsignalverarbeitung, Bielefeld

2012 Bielefeld Mixed Models Workshop, Bielefeld

Invited talks

2025 Department of Philosophy, Linguistics, Theory of Science, University of Gothenburg

2023 Faculty of Linguistics and Literary Studies, Bielefeld University

2022 Ultrafest X – Conference on Ultrasound Imaging for Speech and Language Research, Manchester

2021 Laboratoire de Phonétique et Phonologie, Sorbonne Nouvelle

Leibniz-Zentrum Allgemeine Sprachwissenschaft (ZAS), Berlin

2020 Department of Language Science and Technology, Saarland University

2018 Department of Finnish Language and General Linguistics, University of Tampere

Department of Speech, Music and Hearing, KTH Royal Institute of Technology

2016 Department of Nordic Languages, Stockholm University

Department of Language Science and Technology, Saarland University

2015 Faculty of Linguistics and Literary Studies, Bielefeld University

2014 Institute of Behavioural Sciences, University of Helsinki

2013 Institute for Natural Language Processing, University of Stuttgart

Service to the profession

Funding proposal reviewer: National Science Foundation (NSF), Deutsche Forschungsgemeinschaft (DFG)

Journal reviewer: *Journal of Phonetics*, *Journal of the Acoustical Society of America*, *Journal of Voice*, *Annals of the New York Academy of Sciences*, *Clinical Linguistics and Phonetics*, *Research on Language and Social Interaction*, *Knowledge-based systems*, *Linguistic Typology*

Conference reviewer: *Interspeech*, *Speech Prosody*, *International Congress of Phonetic Sciences (ICPhS) International Conference on Acoustics, Speech, and Signal Processing (ICASSP)*

Expert at the 2nd Doctoral Consortium at Interspeech 2016, senior researcher at the Interspeech 2019 mentoring event

Teaching

SU: Stockholm University, KTH: KTH Royal Institute of Technology, KI: Karolinska institutet, BU: Bielefeld University, UU: Uppsala Univeristy

PhD *Articulatory phonetics*, KTH, 7.5 ECTS: 2022

Documentation, processing and analysis of language data, KI, 7.5 ECTS: 2016, 2020

Corpora in humanities, SU, 7.5 ECTS: 2017

Text seminar, SU: 2023-2024

MA *Data collection in speech and voice research*, SU, 7.5 ECTS: 2020, 2022

Analysis and processing of speech, SU, 7.5 ECTS: 2024

Analysis and processing of speech and voice, SU, 7.5 ECTS: 2021, 2023

Statistics and machine learning, SU, 7.5 ECTS: 2024

Statistics for linguists, SU, 7.5 ECTS: 2018–2024

Structure of language, SU, 7.5 ECTS: 2024

Programming for language technologists I, UU, 7.5 ECTS: 2015–2016

Programming for language technologists II, UU, 7.5 ECTS: 2016

Advanced programming for language technologists, UU, 7.5 ECTS: 2016

The functioning of the singing voice, KTH, 7.5 ECTS: 2014–2015

MA thesis seminar, SU, 30 ECTS: 2024

Prosody in conversation, BU, 7.5 ECTS: 2011

BA *Programming for linguists*, SU, 7.5 ECTS: 2016–2021

Observation and documentation, KI, 3 ECTS: 2020–2023

Methodology in language science, SU, 7.5 ECTS: 2015

Programming for corpus linguistics, SU, 7.5 ECTS: 2015

Semantics, SU, 7.5 ECTS: 2021–2024

BA thesis seminar, SU, 15 ECTS: 2024

Thesis preparatory course, SU, 7.5 ECTS: 2024

Publications

Monographs

2014 **Włodarczak**, **M.** (2014). *Temporal entrainment in overlapping speech* [Doctoral dissertation, Bielefeld University]. [DOI]

Book chapters

2012 **Włodarczak**, **M.** (2012). Ranked multidimensional dialogue act annotation. In D. Lassiter & M. Slavkovik (Eds.), *New Directions in Logic, Language, and Computation* (pp. 67–77). Springer. [DOI]

Journal articles
