VIVIANE SCHULTZ STRAATMANN, PHD, ASSOCIATE PROFESSOR

Department of Public Health Sciences, Stockholm University | Albanovägen 12, House 4, Floor 5, SE-106 91 | +46 79 300 62 84
viviane.schultz.straatmann@su.se

ACADEMIC DEGREES

2023 Associate Professor of Public Health Science (Docent), Stockholm University (SU), Sweden.
2016 PhD. in Public Health | Epidemiology. Universidade do Estado do Rio de Janeiro (UERJ), Brazil.
2012 MSc. in Nutritional Epidemiology. Universidade Federal do Rio de Janeiro (UFRJ), Brazil.
2011 Specialist in Public and Community Health. Universidade Celso Lisboa, Brazil.
2009 BSc. in Physiotherapy. Instituto Porto Alegre (IPA), Brazil.

EMPLOYMENT

Aug 2021- present Researcher, Department of Public Health Sciences, SU, Sweden.
Sep 2020- Jul 2021 Postdoctoral researcher, Department of Public Health Sciences, SU, Sweden.
Jul 2018- Aug 2020 Postdoctoral researcher, Aging Research Centre, Karolinska Institute, Sweden.
Jan 2017- Apr 2019 Research Associate, Department of Public Health and Policy, University of Liverpool, UK.
Sep 2016- Jan 2017 Researcher, UERJ, Brazil.
Mar 2013- Sep 2016 PhD. candidate, UERJ, Brazil.
Feb 2011- Dec 2012 Research Assistant, UFRJ, Brazil.

LEAVE OF ABSENCE

Nov 2022- Aug 2023 (Parental leave)
Sep 2019- Aug 2020 (Parental leave)

VISITING RESEARCH STAYS

2024 Institute of Social Medicine, UERJ, Brazil. (Guest researcher)
2015 Department of Sociology, SU, Sweden. Advisor: Mikael Rostila.
2015-16 Centre for Health and Equity Studies (CHESS), Sweden. Advisors: Mikael Rostila and Ylva B. Almquist.

RESEARCH GRANTS

2025-28 Co-applicant "Uniting Families across Nordic Countries for Resilience" (UNIFAMN).
NORDFORSK 2 084 938 NOK
2025-27 Main applicant "Does GOING HOME truly serve the best interest of children placed in out-of-home care? Patterns of family reunification and its impact on the use of healthcare services in children and young people".
FORTE 4 969 000 SEK
2025 Main applicant "Intersections between parents with alcohol use disorders and child welfare".
Systembolagets Alkoholforskningsråd 200 000 SEK
2022-24 Co-applicant "How does emotional support influence the relationship between social disadvantage and young people's mental health outcomes? A life course approach using the UK Millennium Cohort Study".
Health Foundation-Emotional Support for Young People UK 138 573 GBP
2021-23 Co-applicant "Drivers of inequalities among families involved with child welfare services".
FORTE 4 700 000 SEK
2018 Main applicant "Understanding social inequalities in child mental health across European countries: Comparative study of the Danish National Birth Cohort and the UK Millennium Cohort Study".
Early Career Research Grant, University of Liverpool UK 10,000 GBP
2017-19 Co-applicant for extension "Evaluating the impacts of policies on child health inequalities: How best can we exploit the predictive value of the integrated pre-school checks?".
Public Health Research Consortium UK 175 000 GBP (2017-2018) + 64 000 GBP (2019)

TEACHING EXPERIENCE AND TRAINING

Course management & teaching

2025 Group Supervision "Childhood Adversity and Health"
Advanced level. Master's program in public health (Spring), SU, Sweden.

Course management | Lecturer. Course: "Psychological perspectives on health" (7.5 ECTS).
Advanced level. Master's program in public health (Spring & Autumn), SU, Sweden.

Course Management | Lecturer. Course "Quantitative data analysis (in-depth analysis in Stata)". Elective course.
Advanced level. Master's program in public health (Autumn), SU, Sweden.

2024 Course examination | Lecturer. Course: "Psychological perspectives on health" (7.5 ECTS).

Advanced level. Master's program in public health (Autumn), SU, Sweden.
Course Management | Lecturer. Course "Quantitative data analysis (in-depth analysis in Stata)". Elective course.
Advanced level. Master's program in public health (Autumn), SU, Sweden.

2023 Course examination | Lecturer. Course: "Psychological perspectives on health" (7.5 ECTS).
Advanced level. Master's program in public health (Autumn), SU, Sweden.

Seminar Norwegian Institute of Public Health (NIPH) "Mental health among children and young people"
"Pathways to inequalities in children's mental health", May 8, Oslo, Norway.

Course Management | Lecturer. Course "Quantitative data analysis (in-depth analysis in Stata)". Elective course.
Advanced level. Master's program in public health (Autumn), SU, Sweden.

2022 Course Management | Lecturer. Course: "Psychological perspectives on health" (7.5 ECTS).
Advanced level. Master's program in public health (Spring & Autumn), SU, Sweden.

2021 Course development & management | Lecturer. Course: "Psychological perspectives on health" (7.5 ECTS).
Advanced level. Master's program in public health (Spring & Autumn), SU, Sweden.

2019 Teaching assistant. "Application of epidemiological methods in ageing research".
Advanced level. PhD course (Spring), Aging Research Center, Karolinska Institute, Sweden.

2017 Teaching assistant. "Critical Analysis in Public Health Module" for Year 2 students,
Basic level. Second-Year Medical Curriculum. Faculty of Medicine (Spring and Autumn). University of Liverpool, UK.

Lecturer. Course: "Biostatistics -Theory and Practice in SPSS"
Postgraduation level. Instituto Biodesp. (Spring) Brazil. Online.

2016 Lecturer. Course: "Biostatistics -Theory and Practice in SPSS"
Postgraduation level. Instituto Biodesp. (Autumn) Brazil. Online.

Lecturer. Seminar: "Epidemiology of physical activity- Theory, practice and assessment".
ELSA Brazil Project. Oswaldo Cruz Foundation. (Spring) Brazil.

Ongoing supervisor of PhD students
2024 Figueiredo, J. Internship (Co-supervisor)
2023- Rajesh, T. Public Health Sciences, SU, Sweden. (Co-supervisor)

Master thesis (completed)
2024 Aktner, I. "The impact of COVID-19 on psychotropic drug prescriptions among children and adolescents
A scoping review". Master's thesis in public health sciences, SU Sweden. (Main supervisor).

Orfanidou, M.B. "Online communication with different types of friends and mental well-being of adolescents in Sweden:
A pooled cross-sectional analysis". Master's thesis in public health sciences, SU, Sweden. (Main supervisor).

2022 Rajesh, T. "Parental mental health after having a child placed in out-of-home care in Sweden- A register-based longitudinal cohort study". Master's thesis in public health sciences, SU, Sweden. (Main supervisor).

2018 Camacho, C. "Development of a predictive risk model for school readiness at age 3 years using the UK Millennium Cohort Study". Master's thesis in public health, University of Liverpool, UK. (Co-supervisor)

Ongoing supervisor of master students
2025 Costa, L. Master's thesis in global health, Lund University, Sweden. (Main supervisor).

Kjellberg, I. Master's thesis in public health sciences, SU, Sweden. (Main supervisor).

Naseri, S. Master's thesis in public health sciences, SU, Sweden. (Main supervisor).

Komsalova-Tsirkov, S. Master's thesis in public health sciences, SU, Sweden. (Main supervisor).

Thesis Examination Board
2019 Hellwig, N.H. "Socioeconomic and environmental inequalities and risk behaviours in adolescents".
PhD. Program in Public Health, Epidemiology. Institute of Social Medicine, UERJ. Brazil.

Pedagogical training

2022 Course in higher education teaching and learning: "Research Supervision in Theory and Practice" (3 ECTS). Centre for Advancement of University Teaching, SU.

Course in higher education teaching and learning: "Training and professional development for the university's teaching staff 2" (7.5 ECTS). Centre for Advancement of University Teaching, SU.

2021 Course in higher education teaching and learning: "Training and professional development for the university's teaching staff 1" (7.5 ECTS). Centre for Advancement of University Teaching, Stockholm University.

2020 Course in higher education teaching and learning: "Introduction to teaching" (3 ECTS). Centre for Advancement of University Teaching, SU.

ASSIGNMENTS, RESEARCH

2025 Expert List for World Health Day, Central Communication Department, SU, Sweden.
2019-21 Honorary Research Fellow, Department of Public Health and Policy, University of Liverpool, UK.
2016 Advisor, Epidemiology of Physical Activity. ELSA Brazil Project. Oswaldo Cruz Foundation (FIOCRUZ), Brazil.

SCHOLARSHIPS

2013-16 PhD. scholarship, (UERJ), Brazil. Carlos Chagas Filho Rio de Janeiro State Research Foundation (83 000 BRL).
2016 Travel Scholarship Award. Low-middle Income Countries Scholarship. Conference International Journal of Behavioural Nutrition and Physical Activity, Cape Town, South Africa (1,000 USD).
2015 PhD. Internship. Joint Brazilian-Swedish Research Collaboration (STINT | CAPES) (250 000 SEK).
2011-12 Master Student Scholarship. UFRJ, Brazil.
Coordination for the Improvement of Higher Education Personnel (CAPES) (15,000 BRL).

REFEREE ASSIGNMENTS WITH SCIENTIFIC JOURNALS

Lancet Public Health; Lancet Child & Adolescent Health; BMC Public Health; Children and Youth Services Review; International Journal of Behavioral Nutrition and Physical Activity; Plos One; Journal of Environmental Research and Public Health; Current Nutrition & Food Science; ConScientiae Saúde

GUEST EDITOR FOR PEER-REVIEWED JOURNALS

2022 Guest Editor. International Journal of Environmental Research and Public Health.
Special issue "Inequalities among Families Involved with Child Welfare Services".

CHAIR AND ORGANISER SCIENTIFIC CONFERENCES

2024 17th European Public Health Conference, Lisbon – Portugal. Workshop organiser and speaker.
"Health inequalities over the life-course between people with & without childhood social care experience".
2022 Nordic Network on Longitudinal Child Welfare Research (NORDLOCH) Conference Meeting, Stockholm, Sweden.
Special session commentator: "Is the Prevention Paradox Useful in Suicide Prevention Theory and Strategies?"
2017 Lancet Public Health Conference. London, UK. Peer review team.
2014 4th IMS/CHESS workshop: Health and Society. Rio de Janeiro, Brazil. Social determinants of health.
Swedish-Brazilian exchange program. CAPES/STINT Institutional Grants Programme. Organisation team.
2008 XII Sport Science and Physical Education Conference of Portuguese Language Countries, Porto Alegre-RS/Brazil.
Organisation team.

MEMBERSHIP IN INTERNATIONAL NETWORKS AND SOCIETIES

2025- UNIFAMN (GUIDE project).
2023- International Network for Nordic Cohort Studies (ICON).
2022- International Network for Research on Inequalities in Child Health (INRICH).
2020- Nordic Network on Longitudinal Child Welfare Research (NORDLOCH).
2014-17 Brazilian Association of Orthopedics' Physiotherapy (ABRAFITO). Ethics Committee Board.

COMPETENCES, LEADERSHIP

2024- Seminar Series Public Health Sciences Coordination Team, SU, Sweden.
2023- Research infrastructure and GUIDE (Growing Up in Digital Europe), Project representative in Sweden.
2019 SWEAH Leadership Course "From junior to senior researcher in research on ageing and health", Lund University, Sweden.
2011-14 Coordination and technical training in the preventive health services (Brazil)

COMPETENCES, LANGUAGES

Portuguese (Mother tongue), English (Advanced level, C1), Spanish (Upper Intermediate level, B2) & Swedish (SFX | SAS-G4).
