Forum for Arctic and Antarctic Research 2026

**30 November - 1 December at the University of Gothenburg
Building on a Swedish foundation for the 5th International Polar Year**

Aim: To advance the agendas for Arctic and Antarctic marine and terrestrial research in Sweden. Identifying priorities, strengthening collaborations, and enabling pathways for implementation. We look forward to constructive dialogue and collaboration among academia, state agencies, and stakeholders!

Program highlights:

- Marine and terrestrial polar research at Swedish universities
- Swedish Centre for Arctic and Antarctic Research (SCAA)
- Updates on Arctic and Antarctic initiatives
- Interdisciplinary sessions, poster pub and dinner

**Free of charge!
Welcome!**
