Student feedback 2026: What is your overall impression of SULaw's Summer Programme?

Really great experience. Made a lot of news friends and got to explore a wonderful country. Would recommend.

Overall it was a great experience. Amazing support from the SU team so I really appreciated all the efforts. I would recommend the programme to anyone!

Very positive lifelong memories!

I had a really great experience during the summer program. I really enjoyed the courses, the chance to meet students from different countries, and discovering Stockholm at the same time. I also think everything was well organised, and the staff were always kind and helpful. I'm really happy I had the opportunity to take part in the program, and I would definitely recommend it to other students.

This program has been very beneficial to me, both academically and personally. I would recommend it to every student.

Perfect.

Very well organised, i was very impressed and the staff were so helpful.

Great experience! The staff is very present and knowledgeable!!

I really enjoyed it! I will recommend it to other students and hope to come back again next summer.

This experience was unforgettable. Meeting other law students all around the world, interesting courses, and a lot of new perspectives valuable for my future studies and career. I will remember this for the rest of my life.

Awesome. wish it lasted a little longer :)

Amazing way to get course credits at my home university, living in another country and culture.

High quality.
