Translations

Translations of AFIRM modules and resources are encouraged, with permission of the AFIRM team, to support broader access. By adapting content into multiple languages, AFIRM aims to ensure that evidence-based practices and resources are accessible and meaningful to families and practitioners supporting individuals on the spectrum across the globe.

Svenska (Swedish)

VGR ansvarar för att du har tillgång till en bra sjukvård och vi skapar förutsättningar för en god hälsa för alla i **Västra Götaland**. Våra andra uppdrag är att arbeta med kultur, kollektivtrafik, tillväxt och en hållbar utveckling i Västra Götaland. Vi är en politiskt styrd organisation.

Region Västra Götaland is the county council governing the territory Västra Götaland in Sweden. We aim to provide conditions for a good, meaningful and healthy life. One of our main missions is to ensure that the population in Västra Götaland has access to medical care. Our other main missions are to develop and administer culture, public transport, growth and sustainable development.

Differentiell Förstärkning (Differential Reinforcement)

DR Module (Swedish Translation)

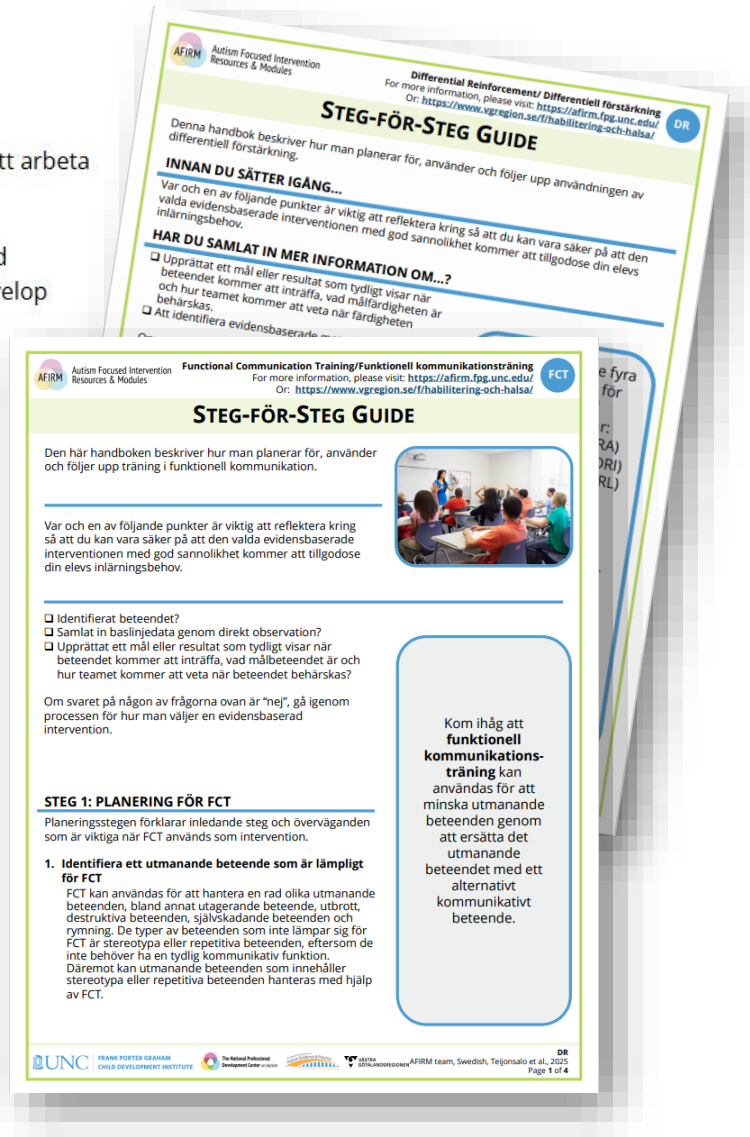

DR Step-by-Step Guide (Swedish Translation)

Funktionell kommunikationsträning (Functional Communication Training)
