Professor was such a great teacher.
Teacher's passion, teaching method and design.
great teacher
The lecturer was possibly the best part of this lecture. Arndt is really great at engaging the class by asking questions and it is really interesting to learn from him! I really enjoyed all of his lectures and the interactive aspect of his class made me want to speak up and talk. Even when the answer to a question was not what he was looking for he would never tell you that it was wrong and instead provide alternative answers. He might be my favourite lecturer of all time.

Pretty much nothing. Great course
Nothing! Everything was awesome!
Maybe PPT Could be more detailed.
Maybe they could have offered some other reading other than just the eu directives.

Arndt is the best - please keep him for many more summer courses to come. The bond he creates with his students is so so special :D
